## ELECTION REQUIREMENT

Dear Commissioner:

The USPTO issued an office action dated April 7, 2003 in respect to the above application. In this office action, the examiner makes a restriction between Invention I, claims 2, 13-16, 24-26, 28, and 30-41 classified in Class 451 Subclass 72 and Invention II, Claim 29 classified in Class 451 Subclass 56.

In response to this restriction, applicant elects to pursue Invention I, claims 2, 13-16, 24-26, 28, and 30-41 in the present application. It is believed that this election meets the examiner's restriction requirement.

Favorable action is solicited.

Respectfully submitted,

raded those m William S. Lightbody (29,557)

#### **EXTENSION OF TERM**

NOTE: "Extension of Time in Patent Cases (Supplement Amendments) — If a timely and complete response has been filed after a Non-Final Office Action, an extension of time is not required to permit filing and/or entry of an additional amendment after expiration of the shortened statutory period.

If a timely response has been filed after a Final Office Action, an extension of time is required to permit filing and/or entry of a Notice of Appeal or filing and/or entry of an additional amendment after expiration of the shortened statutory period unless the timely-filed response placed the application in condition for allowance. Of course, if a Notice of Appeal has been filed within the shortened statutory period, the period has ceased to run." Notice of December 10, 1985 (1061 O.G. 34-35).

NOTE: See 37 CFR 1.645 for extensions of time in interference proceedings, and 37 CFR 1.550(c) for extensions of time in reexamination proceedings.

3. The proceedings herein are for a patent application and the provisions of 37 CFR 1.136 apply.

#### **FEE DEFICIENCY**

NOTE: If there is a fee deficiency and there is no authorization to charge an account, additional fees are necessary to cover the additional time consumed in making up the original deficiency. If the maximum, six-month period has expired before the deficiency is noted and corrected, the application is held abandoned. In those instances where authorization to charge is included, processing delays are encountered in returning the papers to the PTO Finance Branch in order to apply these charges prior to action on the cases. Authorization to charge the deposit account for any fee deficiency should be checked. See the Notice of April 7, 1986, (1065 O.G. 31-33).
